Boarding Policy

Vaccines

All animals must have current vaccinations, including Bordetella (this vaccine is given every six months) and influenza(flu). If your pet is due for vaccinations within two weeks, vaccines must be given for your animal to board here.

Fleas

We flea comb each pet on entry. If live fleas or "flea dirt" is seen, a flea treatment will be done at the **OWNERS EXPENSE**. This is to prevent the spread of fleas and ticks in our kennel.

Baths

We highly recommend opting for a bath for your dog during their boarding stay. We do everything possible to prevent accidents, but some pets will have increased anxiety causing accidents.** If your pet requires multiple baths during their stay then a charge of \$16 will be added to your account.**

We recommend that you leave **ALL** toys and other material items at home. Advanced Pet Care of Clear Lake will not be held responsible for lost items..Advanced Pet Care also will not be responsible for any issues that arise from items that are brought from home by owner.

In case of a hurricane or other natural or manmade disaster, we will do our best to secure the safety of <animal>, but we cannot be held responsible for <animal>'s fate. I understand and agree to all of the above.

Pets may be **picked up** Monday-Friday by 5:30PM and Saturday by 11:30AM
Any pet picked up after established time will be charged an additional day.

If you are leaving more than one animal for boarding, would you like them to stay together? _____

If yes, which animals would you like in the same cage / run? _____

Some animals do not do well boarding in the same cage. Cage aggression or feeding time may be a problem. If your animals have a history of fighting we do not recommend they stay together. Advanced Pet Care of Clear Lake will not be held responsible for any damage the said animals may do to each other. If medical care is needed, the owner will be fully responsible for the charges.
