

Puppy Wellness Packages

Basic Wellness Package:

- 1) Core vaccinations at each puppy visit based on risk assessment (up to 6 months of age):
Distemper, Bordetella, Adenovirus, Parvovirus, Parainfluenza Virus, Leptospirosis and Rabies.
- 2) HomeAgain Microchip and initial registration
- 3) Free nail trims at each visit for puppy vaccinations
- 4) Deworming with Strongid at each visit
- 5) Heartworm Preventative at each visit and any additional doses to cover your pet until he/she is 6 months of age. After 6 months of age, you will purchase size needed to protect your pet.
- 6) Intestinal parasite test at each vaccine visit.
- 7) Two complimentary exams during the first year of life.

Payment Options:

One time payment \$440

Puppy wellness with spay/neuter packages:

- 1) Includes all the above as well as:
- 2) Preanesthetic labwork sent out to lab done 1-2 days prior to surgery
- 3) IV catheter and fluids during surgery
- 4) Injectable and gas anesthesia
- 5) Full vitals monitoring by machine and technician during surgery
- 6) Surgery with a Co2 laser which results in less bleeding, pain and risk of infection.
- 7) Post-op incision treatment with cold laser to speed healing and decrease pain.
- 8) Pain Medication during surgery and to send home.
- 9) Elizabethan Collar

Payment Options:

One time payment of \$770

What is NOT included:

- 1) **Cost to treat parasites if found on intestinal parasite test**
- 2) **Cost to diagnose or treat any medical conditions found during physical exam**
- 3) **Any conditions that arise that are the result of non-compliance to recommendations**

Extra costs will be incurred in these cases:

- 1) ***In heat, pregnant, or obese spays will incur an extra fee***
- 2) ***Neuters in which both testicles are not descended (cryptorchid) will incur an extra fee***
- 3) ***Cost to do preanesthetic labwork in house if not performed prior to date of surgery***
- 4) ***Spays or neuters must be done by 7 months of age UNLESS there is prior approval from Veterinarian .
There will be an additional charge of \$25 per month starting at 7 months of age if procedure not performed.
Spay and neuter Contract void if not completed by 12 months***

*There are no refunds if vaccinations are missed, owner elects against certain vaccines, or if spay/neuter is not performed by Advanced Pet Care .
